Hotel Information

As we are located in a major US city, it is a good idea to get started early on hotel reservations for competition day. We have partnered with several hotels near Penn's campus to get discounted rates for teams choosing to stay there. You'll find a summary in the table below. Often times, it's possible to get even lower rates at hotels just outside of the city limits, or a bit farther away from campus. If you'd like information about these options, shoot us an email at pennscienceolympiad@gmail.com and we will forward that along to you.

Hotel	Address	Price	Reservation

2018 Invitational Tournament Parking Details

Buses

Competition Day

We will be subsidizing parking for buses on the day of the tournament. When picking up your registration packet, we will hand you a parking pass for your bus. Buses should then proceed to 3100 Lower Walnut Street. When they arrive, they'll be directed by Penn Police and Penn Parking Services into one of our allocated spots.

Friday night

For teams arriving Friday night that are not able to park at their hotels, we cannot provide parking on directly on campus, as it is not available. However, there are several good options. Parking along Walnut street just ahead of 33rd Street is free from 8PM-8AM, and \$1.25 per hour at all other times. This has been cleared as an option by Penn Parking and Transportation Services. An alternative option is the lot on 34th Street and Chestnut Street. The cost is \$13 per spot for the evening.

Cars

Cars are most likely to find parking along Spruce Street and Walnut Street between 34th and 40th streets for city parking rates.

SCIENCE OLYMPIAD AT THE UNIVERSITY OF PENNSYLVANIA 2018 Invitational Tournament Rules for Competition Day

At SOUP, our competition rules match those of Pennsylvania State Science Olympiad as listed below, from the state site.

In all tournaments all officials, coaches, team members and spectators are expected to abide by the rules as stated in the Official Rules Manual. This includes rules specific to each event and the General Rules. Note, the Forensics and Chemistry Lab events will follow state guidelines. Violations may include any of the following:

1. Interference

Only the team members assigned to the event may enter the competition area along with those supervising and judging the event. All others are to remain out of the room or the competition area at all times.

If any student, coach, teacher, chaperone or parent interferes with or disrupts the conduct of the event, the team associated with the person will be penalized at the discretion of the event supervisor in conjunction with the appeals board. The team, coach and the site director will be notified of this action.

2. Cheating

Any individual who cheats during an event will be penalized by disqualification. The team and the coach will be apprised of this action.

If an event team or team member deliberately takes an action that impairs the ability of another team to fairly compete, that team will be disqualified from that event. Depending on the severity of the action taken by the team members, further action by the appeals board may result that the team members are disqualified from other events. Upon reporting this action to the State Board, the team members may be barred from further tournaments.

3. Vandalism

If a member of a team or a person associated with a team commits an act of vandalism, the team will be disqualified from the tournament. Vandalism means deliberate action that results in damage to property. This includes, but is not limited to, graffiti, damage to facility property, and damage to personal property of competitors, judges and supervisors.

2018 Invitational Tournament

Arrival Details

Unloading and Registration

Unloading will take place outside of Franklin Field next to the flag (209 South 33rd Street, Philadelphia, PA 19104) along 33rd street. Upon arrival, volunteers will help unload buses and guides will direct each team to their respective home base. Each team will register at the desk of the building with their team room. Please be sure to pick up an information package, wristbands for your participants, and t-shirts, if your team ordered them, before leaving. We recommend that you arrive to the area outlined in yellow on the Annotated Campus Map after 7AM. If you arrive earlier, we may not be able to take you to your team room, as we are not allowed to unlock some buildings until then.

Parking

After checking in, drivers will receive parking instructions and details regarding the drivers' lounges.

Home Base

After helping you unload, a volunteer will walk you to your team room.

Impound

Impounds will take place from 8-9AM in the same locations as the respective events. An efficient impound strategy is to take build-it devices to impounds directly from unloading.

SCIENCE OLYMPIAD AT THE UNIVERSITY OF PENNSYLVANIA 2018 Invitational Tournament Checklist for Coaches

Before competition day:

- Become an officially registered team with your state Science Olympiad office
- Submit your registration fee
- Sign up on Ezra *before* 15 January, 2018
- Self-schedule for events *on* 15 January, 2018
- Book hotel and transportation accommodations for your team

On competition day:

- Bring completed "Release and Waiver of Liability Agreement" and "Release to Use Image or Likeness" forms for all of your competing and non-competing team members to registration
- Have an adult who can stay in the team room with your team (let us know if this will be an issue for you and we can work something out)
- Bring your competitors, your materials, and have fun!
